2. Property Crime in Progress	5:50	7:01	12:51
3. Cold Call/No immediate threat to person or property.	4:40	7:11	11:52

Traffic Unit:

Refer to the following data regarding traffic related incidents for the month of January:

<i>Accident Summary by Severity</i> Fatal Traffic Collisions	Injury Traffic Collisions	Non-Injury Traffic Collisions	Hazardous Citations Issued	Other Citations Issued
0	4	42	13	177

Areas of Focus:

Concerns from the community were addressed in the areas of 18th Avenue and Princeton Street and the 400 block of 8th Avenue. Citizens relayed concerns of excessive speed from vehicles and children unable to safely cross within marked cross walks. The Traffic Unit conducted concentrated traffic enforcement in those areas and issued appropriate citations to the motorists.

Distracted Driving:

According to a study conducted by the California Office of Traffic Safety (OTS) and CSU Fresno, more California drivers are using their cell phone behind the wheel, but less than previous years. We believe the same can be said of drivers in Delano. As such, in February, we will be conducting traffic enforcement stops, focusing on drivers who violate cell phone laws. It should be noted that the Vehicle Code makes it illegal for drivers to hold their phone for any reason while operating a motor vehicle. In order for a cell phone to be used while driving, it must be mounted on a dashboard, windshield or center console and can only be touched once with the swipe or tap of a finger to activate or deactivate a function.

Grants-

The Delano Police Department Traffic Unit submitted a grant to the Office of Traffic Safety in the amount of \$92,064.53. If approved, this grant will expand departmental efforts in the area of DUI and Traffic Enforcement Operations, Driver's Safety awareness, training, and the acquisition of traffic related

Special Operations:

None at this time.

Patrol Division:
