THE CPI DIFFERENCE

PERSONALIZED SERVICE

Whether you are a broker, a member of a client's HR department, or an enrolled employee calling, we promise that each call will be handled with professionalism, care, and a sense of urgency. Every call will be answered by a live customer service representative, and we return all voice messages within 24 business hours.

TAILORED SOLUTIONS

One-size-fits-all no longer applies to benefits administration. Businesses need options and a partner who is looking out for their best interests. Our nimble service model allows us to provide flexible solutions to organizations of various sizes and structures. We work closely with our clients to address their needs and the needs of their employees.

BUSINESS EXPERIENCE

CPI's leadership team brings 70 years of business knowledge to the table. We use our collective professional experience, which spans industries from manufacturing to financial services, to serve as trusted advisors to our clients. We work hard for our clients so that our clients can focus what they do best – running their businesses.

Business is Full of Headaches. Your Benefits Administration Shouldn't be One.

At CPI, we believe that if we are doing our job right – you'll never hear about it! Our team works tirelessly to minimize the "noise" so you can focus your full efforts on day-to-day operations. Don't let benefits administration be a burden or a distraction. Let the team at CPI handle it with ease and efficiency, freeing you up to focus on running your business. We pride ourselves on trust, transparency, and doing things a little differently than the competition.
