

# Aflac isn't health insurance. Let us show you who we really are

Health insurance pays doctors and hospitals if you're sick or hurt. Aflac pays benefits directly to you\* — often in just one day.\*\* And you can use the money your way, whether to help with medical bills or any other expense you may have.

## Here are some of the insurance policies Aflac offers:

### Short-Term Disability

How would you pay your bills if you're disabled and can't work? An Aflac short-term disability insurance policy can help provide you with a source of income while you concentrate on getting better.

### Critical Illness (Specified Health Event)

An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.

### Hospital Confinement Indemnity

Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.

### Accident

Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

### Cancer/Specified-Disease

Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.
