

Construction Begins on Woollomes Avenue Interchange Improvements Project

Southbound State Route 99 on and off ramps at Woollomes Avenue detour to begin on July 9, 2012

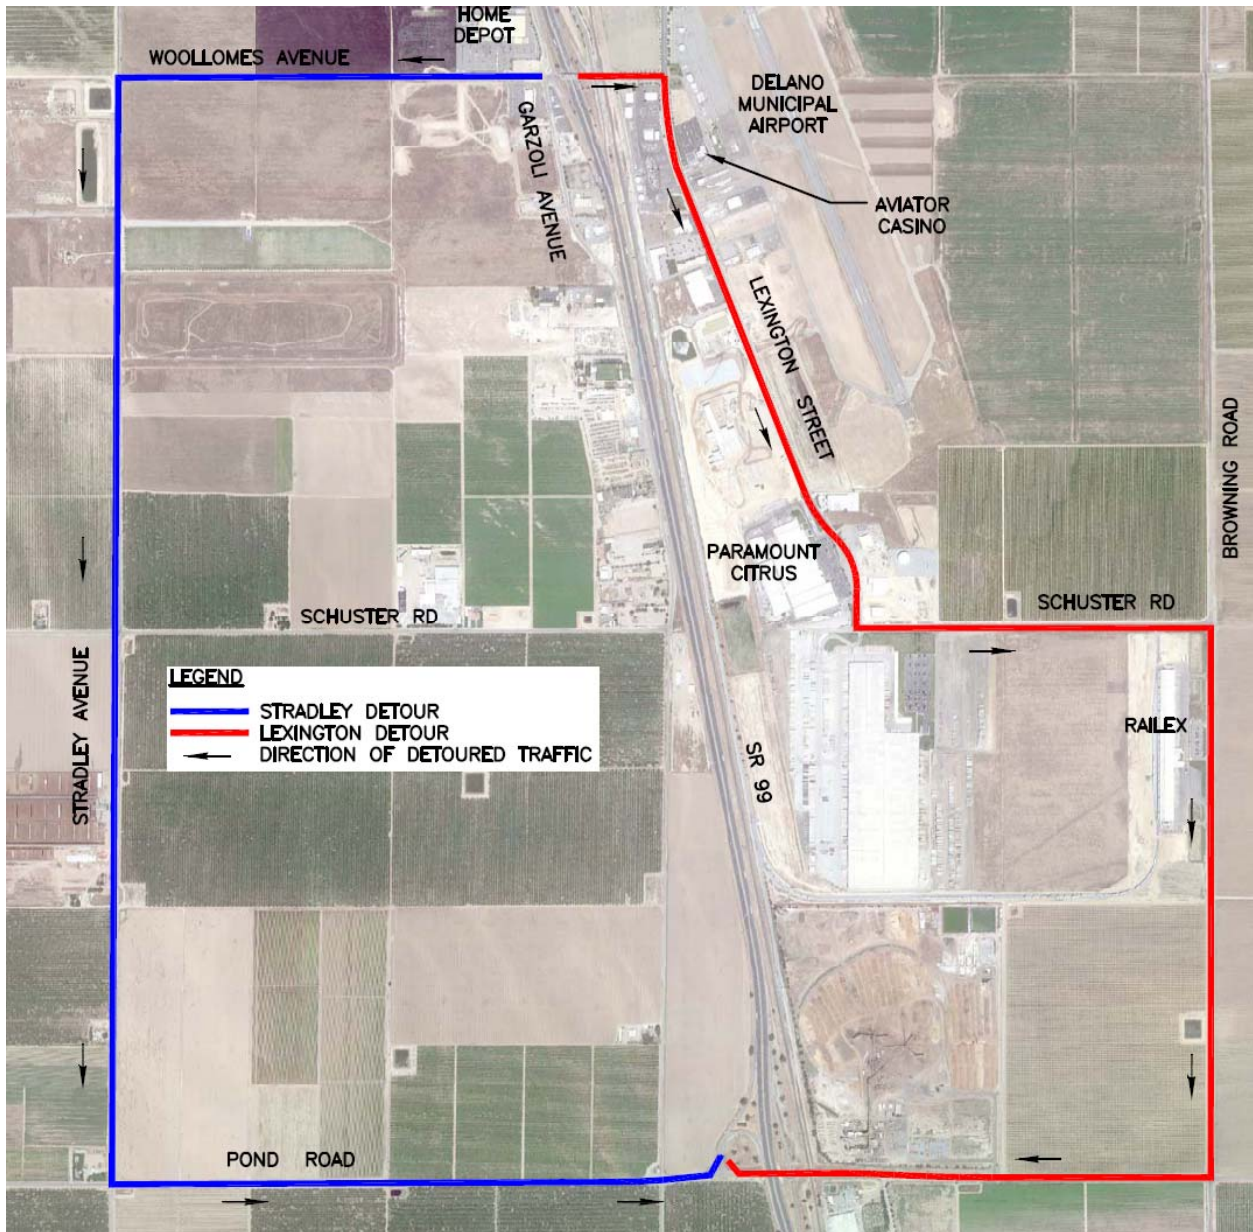

The City of Delano announces the beginning of construction on the Woollomes Avenue Interchange Improvements project. The project will widen the Woollomes Avenue overcrossing and provide traffic signals at the freeway ramps to enhance traffic flow along Woollomes Avenue. The southbound State Route 99 on and off ramps at Woollomes Avenue will be closed for approximately three months beginning July 9, 2012. Detours will utilize the Pond Road interchange. Traffic will be directed along the detour routes shown below. If you have any questions, please contact AB Fakhouri at Mendoza and Associates, (714) 225-3007.
